On-the-Job Training Policy Changes Overview

Most Recent Policy Changes:

Implementation by: 11.08.2018
Board Approval: 10.25.2018
Executive Committee Approval: 10.18.2018

Recessions: On-the-Job Training (OJT) Policy BD 02.20.2014
I. Purpose:
To establish a local policy on the use of On-the-Job Training (OJT) activities as a strategy for increasing the employment, retention, and earnings of workers in the local workforce development area and for increasing the occupational skills attainment of customers.

II. Authority:
- Workforce Innovation and Opportunity Act (WIOA) Sections 188
- WIOA § 3(44)
- Title 29 CFR Part 38
- Title 29 CFR Subpart F
- Training and Employment Guidance Letter #13-15
- Oklahoma Workforce Development Issuance #10-2017, change 1

III. Background:
On-the-Job Training (OJT)² activities shall be conducted in accordance with WIOA and the Tulsa Area Workforce Development Board Local Plan. In Oklahoma's rapidly changing economy, new and growing companies, face both uncertainties and possibilities. OJT provides the opportunity for employers to hire employees and provide them with the new and additional skills needed to perform successfully on the job. OJT provides participants the opportunity to receive training while employed and to be paid wages comparable to other employees in similar positions. For employers, OJT agreements with the TAWDB provide an opportunity to be reimbursed a percentage of the wages they pay to OJT participants while the participants acquire additional job skills. OJT gives employers the opportunity to tap into a pool of workers who are good candidates but need additional training to be able to perform successfully on a specific job.

OJT is a hire-first training service whereby employers provide the necessary equipment and training for specific jobs and allows the participant to "earn while you learn". The participant who successfully completes the OJT period is expected to be retained by the employer. OJT is only appropriate for the length of time necessary to be trained in the specific occupation, not to exceed 1,040 hours, without written permission from the Workforce Tulsa Executive Director.

IV. Local Policy:
The Service Provider must comply with all federal and state policies that provide guidance for On-the-Job Training service. In federal and state guidance, a few details have been left for the local boards to further define or provide guidance. Those areas are listed below with the local board's interpretation and additional guidance.

A. OWDI 19-2017 Pg. 18 On-the –Job Training – Wage Reimbursement Factors "Other factors the LWDB may determine appropriate such as, the number of employees participating in the training, wage and benefit levels of the employees, including both pre-and post-participation earnings, and relation of the training to the competitiveness of the participant."

Workforce Tulsa has chosen not to add additional criteria to the OJT Wage Reimbursement factors. However, written approval from the Executive Director of Workforce Tulsa must be obtained prior to the development of any OJT contract where wage reimbursement will increase from 50%.

² WIOA §3(44)
B. Serving Employers and Participants
For those participants who do not reside within the Workforce Tulsa area but are seeking an OJT with a company within the Workforce Tulsa area, Workforce Tulsa can provide an OJT, as a service to the employer.

C. Retention Rate
The Workforce Tulsa’s designated staff may terminate an OJT contract if:
1. The State or Federal government terminates or reduces the funding which makes the contract possible,
2. The employer has violated the terms and conditions of the agreement, or
3. The employer does not retain at least 85% of the OJT participants hired within a 12-month period.

The Board may request a report of the outcomes and retention rates for all participants and employers.

D. OJT Evaluation

VI. Compliance
A. This policy shall be used in accordance with all other applicable federal, state, and local policies.
B. The TAWDB is responsible for conducting oversight of local Adult/Dislocated Worker programs to ensure both fiscal and programmatic accountability. Local program oversight is conducted in consultation with the Chief local Elected Official.

TRAINING PLAN INFORMATION AND INSTRUCTIONS

Training Plans are used to outline the specific skill requirements for on-the-job training (OJT). They are also used as the assessment tool to document which skills the Trainee lacks at the start of the training and to measure skill attainment during the course of the training.

Job Description:
A job description may be obtained from the Employer or the OJT Provider may assist the employer in writing a job description, thus providing a “value-added” for the Employer. For assistance in writing a job description you may use the tasks and activities provided at the CareerOneStop Job Description Writer (http://www.careerinfonet.org/jobwriter). Please modify these descriptions to be specific to the employer’s needs for the occupation.

Skill Requirements:
List the skills needed to perform the job to the standards specified by the Employer. Record skills as specifically and briefly as possible. For assistance in writing skill requirements you may use the tasks and activities provided at O*NET OnLine (http://online.onetcenter.org). Please modify these skills to be specific to Employer’s needs for the occupation. (Type of tools or software used)

Trainee’s Starting Capability:
Used to assess the trainee’s skill level near the beginning of the training period and to document skill deficiencies which will be addressed through training. The skills gap can be addressed in the list of “Skills To Be Learned”. The “Starting” and “Ending Capability” scores are based upon an interview with the Trainee’s supervisor or by utilizing another skill assessment method used by the employer.

Training Length:
a) The OJT Provider, working with the Employer, determines the job title for the OJT position by referencing O*NET OnLine (http://online.onetcenter.org).
b) From O*NET OnLine, Job Zone/SVP parameters are obtained. Use these parameters as a beginning guide to determine the length of training.
c) The OJT Provider considers the trainee’s past work experience, knowledge, and skills gap to assist in determining the length of training.
d) An OJT contract must be limited to the period of time required for a participant to become proficient in the occupation for which the training is being provided. In determining the appropriate length of the contract, consideration should be given to the skill requirements of the occupation, the academic and occupational skill level of the participant, prior work experience, and the participant’s individual employment plan. (WIOA sec. 101 (31) (C).)
e) It may be necessary to deviate from the training schedule depending on the trainee's ability to gain and retain knowledge of the various tasks within the occupation. If there is disruption of the planned training period through no fault of the trainee or the employer, provide modifications in writing with the Training Plan Modification Template.
